

LEON HLABATHI

067 227 2329 | leonhitekani@gmail.com | [linkedin.com/in/leonhlabathi](https://www.linkedin.com/in/leonhlabathi) | itsleon.dev

Enthusiastic front-end developer with a flair for creating intuitive user interfaces. Proficient in HTML, CSS, JavaScript. My background as a musician and freelancer enhances my creativity and problem-solving skills. Committed to leveraging the latest web technologies to deliver impactful digital experiences.

Education

Zaio

NQF5, Full Stack Web Development

August 2024 – January 2025

Experience

SoundBetter

Record producer, Mixing engineer (2021 – Present)

- Produced and mixed audio tracks for clients, enhancing the musicality and achieving the desired sound for each project.
- Directed recording sessions, providing guidance to artists to capture their best performances, and ensuring technical setup was optimized for recording quality.

Fiverr

Freelance graphic designer (2020 – May 2023)

- Collaborated closely with clients to refine concepts and produce final design solutions that met their marketing and communication needs.
- Utilized tools such as Adobe Creative Suite (Photoshop, Illustrator) to create visually compelling graphics.

Skills

HTML, CSS, JavaScript, Sass, Bootstrap, Git, React
